

CDVP/CPAIP Certification - Renewal Notice

Due date: 03/31/21

IMPORTANT NOTICE: 03/31/21 renewal requirements have been temporarily changed due to COVID-19. ICDVP realizes that many in-person trainings have been canceled and it is unclear how long the guidelines prohibiting large in-person gatherings will last. The following requirements have changed:

- **The original renewal date of 03/31/21 has been extended until 05/31/21. It is important to note that this DOES NOT extend your next renewal date. The next renewal date will remain 03/31/23.**
- **You must complete a total of 30 CEUs during the dates 04/01/19 - 05/31/21. For the 03/31/21 renewal period, the limit of 15 hours of on-line CEUs has been waived.**
- **If you complete a training at a site that is not an ICDVP certified CEU training site, you must submit a petition (ICDVP Form 6) and required petition fee.**
- **These above changes apply to the 03/31/21 renewal period ONLY.**

To renew your certification, you will need to complete ICDVP Form 8, include documentation that you have completed the required 30 hours of continuing education (CEU) and a check for the application fee of \$75 by the expiration date listed on your certificate. ICDVP no longer mails out ICDVP Form 8, and it is the responsibility of the certified individual to access ICDVP Form 8 on the ICDVP website at www.ilcdvp.org. It can be found under the Quick Links section of the website.

Please note the following when sending in your application:

- The application must be completed with all CEU courses listed including those that you are petitioning. If the application is not filled out completely or if it is not signed it may be returned. If your agency pays your fee, remind them that the check must be for your renewal only.
- CEUs must be completed during the dates 04/01/19 - 05/31/21. Courses completed prior to the certification date of 04/01/19 will not be accepted toward the 30-hour continuing education requirement.
- All CEU trainings must be related to the 40-hour domestic violence and/or 20-hour PAIP training topics.
- The maximum number of hours that can be requested for a single conference is 20 hours. Courses less than one hour in length will not receive credit.
- Continuing education units earned from ICDVP Certified CEU Training Sites do not require a petition or a fee of \$10. To make sure the CEU Provider is an ICDVP certified Site, you can get the list off the website at www.ilcdvp.org.

- All petitions must be signed and accompanied by the appropriate form and \$10 fee for each one.
 - Continuing education credit can be given for courses not from ICDVP certified CEU Training sites, but they will require a petition (ICDVP Form 6) and a fee of \$10 and must be an extension of topics covered in the 40-hour training and/or 20-hour PAIP training topics.
 - When asking for CEUs for teaching a Domestic Violence course, you must send proof that you taught it and the number of hours must be listed. The maximum number of hours allowed by any individual is 10 hours per renewal period. Documentation can include a letter from the agency or college where the course was taught, provided it lists dates and hours of teaching. Agendas with the name of the instructor and time listed for the course are also accepted. Send a petition (ICDVP Form 7) and a \$10 fee.
 - If you are asking for CEUs for committee participation, send committee minutes with your name listed as being present and the time the meeting started and ended is included in the documents. A maximum of 6 hours of CEUs may be earned per renewal period. Send a petition (ICDVP Form 5) and a \$10 fee.
- It is highly recommended that applications are submitted 30 days prior to the renewal date to allow for any corrections to be made. If an application for renewal is incomplete or inaccurate, the applicant will be given a short time to submit the requested information before a \$25 late fee is added.
- Renewal applications will be accepted between the dates of 02/01/20 – 05/31/21.
- The ICDVP Policy and Procedure Manual is continually updated and revised. Execution of all Policies and Procedures included in the manual are at the sole discretion of ICDVP, Inc. For additional information or clarification, refer to the web site at www.ilcdvp.org.
