The Secret!

**Behind closed doors is a cancer that has permeated our
Christian community and is destroying our families.
This is called DOMESTIC ABUSE**

COURSE OBJECTIVE

FOCUS Faith Based DV training is a training program designed to educate the Christian community about the dynamics of domestic violence as it relates to faith issues. God delights in restoration of shattered souls. This training is for lay people, church leaders, and professionals.

6 CEU's are available for counselors, social workers, CDVP & PAIP
