40-Hour Domestic Violence Training

Tracking Documentation Form

Format: 40 Hours In Person

This form is to be used when a certified site is providing the 40-hour domestic violence training entirely in person. It verifies that this staff/volunteer person has completed the training as required by the guidelines of the Illinois Domestic Violence Act and ICDVP requirements as outlined in the ILCDVP Policy and Procedure Manual.

The topics listed MUST be covered live and in the physical presence of a trainer. This form allows for the agency to determine the topics and time frames for additional hours but requires that these topics/time frames are related to the required 40-hour training topics. It is recommended that a copy of this form be placed in the employee's personnel file.
