

**Tracking Documentation Form**

**Format: 20-Hour Module/20-Hour In-Person**

This form is to be used when a certified site is providing the 20-hour module/20-hour in-person training. It verifies that this staff/volunteer person has completed the training as required by the guidelines of the Illinois Domestic Violence Act and ICDVP requirements as outlined in the ICDVP Policy and Procedure Manual. There is no ICDVP format for a full 40-hour module training.

To provide the 40-hour training in this format, an organization must be a certified 20-hour module/20-hour in-person certified site. A certified site can only use the modules provided by the Illinois Coalition Against Domestic Violence (ICADV) or the certified site’s own modules, approved first by ICDVP.

Format requirements for all topics are listed in the documentation chart below. Some topics may be covered in online modules, while others must be covered in person. Topics indicated as “must be covered in person” **MUST** be live and in the presence of a trainer.

There **MUST** be at minimum 20 hours of in-person training in the 20-hour module/20-hour in-person training. Trainings cannot combine virtual and module training options in one 40-hour training.
