Seek Then Speak Introduction

Dr. Kim Lonsway of End Violence Against Women International will briefly describe Seek Then Speak, a new tool to assist survivors in reporting sexual assault. She will demonstrate the implementation process and how it can facilitate sexual assault reporting locally.

Learning Objectives:

At the end of this brief introduction, students will be able to:

- **Describe Seek Then Speak, an interactive online tool helping sexual assault survivors gather information and complete a self-guided investigative interview.**
- **Identify the motivations for law enforcement, victim advocacy, and other governmental agencies to adopt this new tool for use in the community.**
- **Explain how sexual assault survivors can use the new tool to begin the process of reporting to law enforcement by completing a self-guided interview.**
- **Consider how this new tool could increase access to reporting and supportive services for survivors in your community.**
